February 2025

*Kuunganisha Training and Coaching is the
Market Leader of high standard NLP
Certification trainings in East-Africa*

Be the change you want to see in this world.
Mahatma Ghandi

Becoming an NLP practitioner coach will enrich your life.

Through the unique integration of the elements of the training, you will grow both personally and professionally.

At the end of this 18-day IANLP (130 hours) accredited training course:

- you will have invested in your personal growth and development;
- you can effectively set goals, recognize and break behavioral patterns;
- you will build a bridge between consciousness and subconsciousness;
- make a connection between head and heart and get in touch with your inner wisdom;
- you can apply NLP techniques from your heart and get the essence;
- you can listen on a deep level, remain neutral in conversations;
- you can notice change from the inside out in yourself and others;
- ask questions from the heart and have a nice balance between holding space and asking questions;
- you can coach for sustainable change through the unique blend of NLP, life coaching and systemic work.

The NLP curriculum covered includes:

- Anchoring and reframing
- Setting and achieving appropriate goals
- Communication model and coach model
- Sensory perception
- Recognising and breaking language patterns
- Change techniques such as working with sharing and timebased techniques
- How to communicate with yourself and others
- Sub modalities and strategies
- Neurological levels
- Coaching attitude and connecting

"The most important thing for me in the training is making an ultimate heart connection with people. Asking magical questions from this heart connection allows me as a trainer and coach to touch the inner coach of the person sitting next to me.

On my way on a New Life Path "
